State Compliance Addendum Template

Purpose

This document outlines the scope-of-practice review checklist for state-level implementation of the Capitol Contracts LLC trauma literacy curriculum. It is intended for organizational review to ensure compliance with state-specific statutes and crisis response protocols.

Organizational Review Checklist

Item	Description	Status (Y/N/NA)	Notes
1. State Licensing Board Review	Review by relevant state licensing boards (e.g., social work, counseling, psychology) to confirm non-clinical scope.		
2. Scope of Practice Statutes	Verification against state statutes defining the scope of practice for peer facilitators and paraprofessionals.		
3. Crisis Response Protocols	Integration with existing organizational crisis response and safety planning protocols.		
4. Clinical Supervision Guidelines	Establishment of clear guidelines for clinical supervision for licensed partner organizations, where applicable.		
5. Informed Consent Procedures	Review of informed consent procedures to ensure participants understand the non-clinical nature of the curriculum.		
6. Data Privacy & HIPAA Compliance	Confirmation of data collection, storage, and sharing practices align with state and federal privacy regulations (e.g., HIPAA).		
7. Mandated Reporting Requirements	Training and protocols in place for mandated reporting of abuse or neglect, as per state law.		
8. Cultural Competency Review	Review of curriculum content and delivery methods for cultural competency and responsiveness to diverse populations within the state.		

Disclaimer

⚠ **Scope of Practice Notice:** This curriculum is designed for peer facilitators and paraprofessionals. Implementation requires organizational review of state-specific

scope-of-practice statutes and crisis response protocols. Capitol Contracts LLC provides this State Compliance Addendum and clinical supervision guidelines for licensed partner organizations. Not a substitute for licensed medical or psychological treatment.
